Dear Parents/Guardians

As we welcome your child back after the Summer Break we write to respectfully ask you to continue to give financial support to Crescent College Comprehensive SJ for the new academic year.

The programmes on offer in Crescent match those available in fee-paying schools. It is our mission to educate the whole person; academic excellence is the beginning, and not the end of our endeavours. We aim to challenge the student to reach their human potential by exposing them to many opportunities not enjoyed in other schools, and **not funded** by the Department of Education and Skills. This provision is only possible thanks to the financial support of parents and the voluntarism of our teachers and parents. Please note that **this contribution also covers essential materials and opportunities including exam papers, oral examinations, school journals, all photocopying as well as student support services in the library, in Ethos and in IT. This past year the fund made it possible to provide upgraded lockers to all students and to refurbish many areas of the school building, indoors and outdoors. The school plans to refit student toilets and changing areas in the sports hall in the near future, as well as providing disability access.**

We are requesting a contribution of **€500 per student or €850 per family.**

Please use our secure on-line payment facility (EPP) to make either a one off payment or to set up a monthly recurring payment via your debit or credit card.

Instructions for using EPP can be found on the school website.

All contributions are administered in **strict confidence** by our School Accountant, Ms Barbara Mackey, who can be contacted at 061 229325 or mackeyb@crescentsj.com if you have any problems in using EPP or setting your payment.

Details of the management of the fund are available on the school website where accounts are published and will also be outlined at the AGM of the Parents' Council on 26 September. We encourage you all to attend this meeting

Once again we wish to thank you for the generous and enthusiastic support you have given the school in the past. With your help we can continue to deliver an exceptional educational and cultural experience for all Crescent students.

With kindest regards,

Yours sincerely,
