

A.M.D.G.

CRESCENT COLLEGE COMPREHENSIVE S.J.

19th March 2020

To all in our community

I hope you and your families are adjusting well to the new norms.

As of this morning the Minister has announced that orals and practical examinations have been cancelled; no doubt we will hear of other contingency measures in the next week. I intend to brief all on our App as and when there are developments.

I am conscious that these are anxious and challenging times for all. I am obliged however to remind everyone that there is an expectation that lessons continue for students during this period of school closure. Mike Donegan, our ICT technician is available if support is required and asks only that you email him in advance, doneganm@crescentsj.com. The school is open each morning should you need to collect materials or use facilities, provided guidelines around social distancing are respected.

We are all doing our best to operate as close to normal in what are of course extraordinary times. Crescent staff will not be found wanting in this regard, and I ask only for your patience as we grapple with unusual arrangements.

Our wellbeing team have prepared some useful tips for students during this period.

In the meantime, stay safe, take care and we will remain in touch.

Every good wish,

Karin
