Reflection - Describe, in your own words, the relevance of your idea to your chosen theme

Reflect on and evaluate your work. **100 words approx.**

****Key Message**

The use of primary sources is required

Primary sources are sources, physical or conceptual, that are viewed in their original state and are not filtered through another person's interpretation of them.

- Drawings from objects, people or places
- Drawings from imagination, feeling or memory
- Drawings from own photography

I will be giving you a breakdown of the Crescent Junior Certificate Profile of Achievement in Visual Art in the coming days.

Any questions, ask me on Teams chat.
