

Crescent Study 2020/2021 Rules

Taking into account Covid-19 health and safety guidelines, we will be running our Supervised Study with the following rules.

- Numbers in study centers will be reduced to meet government guidelines
- Students will be assigned a specific seat in a specific center for the duration of study
- Students can only enter the study center 5 minutes before study starts to allow the study centers to be sanitised
- Students must social distance outside the school building when waiting for study to begin
- Students must be on time for study and students must sanitise hands and tables upon entry and exit from the study center.
- Face coverings must be worn in study in line with guidelines set out by the Department of Education and Science.
- Study centers will be well ventilated
- Study centers will be sanitised before and after study
- Students cannot share books, pens etc. in study
- Eating is strictly prohibited in study centers
- Students must maintain social distancing before, after or when on breaks from study. Weather permitting students will be encouraged to socialise outside in the fresh air.
- Students can only use phone for the last hour of each study session. No exceptions will be made. Any students breaking this rule will lose phone privileges during study
- Parents will receive notice of student absences via the school app.
- Students can only leave study at a designed break time and must sign out when leaving.
- Students must follow instructions from study supervisors at all times
- Students who breach any of the above rules or disrupts **study will lose their place in study and forfeit the fee.**
