Guidance for Candidates:

Any system of school leadership and management should build on and consolidate existing school leadership and management structures in schools in line with best practice as set out in **'LOOKING AT OUR SCHOOLS 2022 – A Quality Framework for Post-Primary Schools'**.

Looking At Our School 2022 gov.ie - [Looking at our School 2022 \(www.gov.ie\)](http://Looking at our School 2022 (www.gov.ie))

The leadership model should align the responsibilities of senior (Principal/Deputy Principal) and middle leadership (post holders) more clearly to the identified needs and priorities of the

school, underlining the range of responsibilities for various leadership roles and providing opportunities for teachers to develop their leadership capacity.

COMPLETING A COMPETENCY BASED APPLICATION FORM

A Competency Based Application Form requires you, the candidate, to describe some of your personal achievements to date that demonstrate certain competencies (necessary skills and qualities) required for the position you are applying for (e.g. Leader of Teaching and Learning, Leader of School Development, Communication Skills etc.).

In section 9 of the Application Form you are asked to set up relevant examples from your own experience that demonstrate your capacity under each of the four criterion. A definition of a skill or quality is given for each competency. You are asked to describe a situation, from your own experience, which you think is/are the best example(s) of what **YOU** have done which demonstrates this skill or quality. It is essential that you describe how **YOU** demonstrated the skill or quality in question. All question areas must be completed.

You are advised to structure what you write so that you give specific information about what you have done - for example, do not simply say that "X was successful", describe exactly what you did and how you demonstrated the skill or quality in question.

For each example, please describe the following:

- the nature of the task, problem or objective;
- what you actually did and how you demonstrated the skill or quality (and, where appropriate, the date you demonstrated it).
- the outcome or result of the situation and your estimate of the proportion of credit you can claim for the outcome.

Please **do not use** the same example to illustrate your answer to **more than two skill areas**. Please note that, should you be called to interview, the board may look for **additional examples** of where you demonstrated the skills required for this post so you should think of a number of examples of where you demonstrated each of the skills.

To assist the candidate in answering the questions in the application form and at interview, the internationally recognised STAR model is a useful tool as a way of communicating key points clearly and concisely:

Identify a 'Situation' or 'Task,' outline the 'Action' you took and the 'Result' from your action.
